From Your Pastor

Church Family,

What a blessed Sunday we had this past week! God continues to move at FBCN. It is refreshing to see people join our fellowship and become a part of the exciting things God is doing here.

There are a few things I would like to update you on as we continuing rolling in the month of February:

1. Please be praying for me as I go and preach at Red Oak Baptist Church this coming Sunday morning and Sunday evening. I am kicking off a week long revival for their church. Pray that souls are saved through the declaration of the Gospel. Preaching for me this Sunday morning will be our Youth Pastor, Nathan Presley, and preaching this Sunday evening will be our Discipleship and Senior Adult Pastor, Lance Nuthman. Both of these men will deliver a powerful word from the Lord and I hope you will pray for them and strongly support them as they proclaim God's Word. Sunday will be a great day...be preparing your heart and invite someone with you!

2. It is hard to believe, but this season of Upward basketball will come to an end this Saturday. We will have our annual Upward Awards Banquet on Monday, February 27. Please be praying for God to move. There have already been many exciting things happen this season and I cannot wait to see what else the Lord does. God is so good and He is so faithful. FBCN Newcastle is blessed to have this program and the people who lead out in it. A special thank you to Mrs. Ronda Pinkerton for her leadership and dedication to this ministry. She is a blessing and deserves much appreciation for all she does. When you see Ms. Ronda...encourage her and let her know how much you appreciate her.

3. Don't forget to continue to be faithful to Next Level University! We are off and running with an exciting semester. As the semester rolls on, it is often easy to miss here and there. Make a commitment for you and your family to not miss. I am so proud of the teachers and volunteers who help with NLU and children's and youth choirs. They work hard to prepare for each week and we need to honor them by being faithful. You might also give them a little encouragement when you see them and just say "thanks" for serving in this way.

Finally, Sunday is coming and I am expecting great things. I believe the Lord will move in power and I believe He is going to use His servants to deliver His truth. Come hungry for the WORD...come ready to receive the WORD...come desiring to obey the WORD...and come ready to take the WORD God gives you and apply to every aspect of your life. Have a great week!

THANK YOU

My wonderful church FAMILY, Thank you for your support since my breast "c" diagnosis, and through my chemo treatments. I have had many cards, calls, expressions of concern and most importantly I know you have been praying for me and my complete recovery. I have had very few side effects from the chemo (baldness doesn't count). God is good. God is always in control! I love you all!
